### Nestable

Saves your 70% valuable storage space and 50% transportation cost

### Competitive Price

Almost half price for a new export pallet. An ideal alternative to conventional wooden pallets and expensive plastic pallets

### ISPM15 Compliance - Export Approved

The manufacturing process of compress wood pallet takes place under high temperatures and pressure which exterminates bugs, infestation and eliminates the need for costly fumigation or heat treatment prior to export.

### Safety Operation

Rounded corners and No-nail's or screw's design to prevent package from damage and help reduce employee injuries.
